

Screen Free Day Pledge

I Pledge to be screen free for Hancock County Public Library's Screen Free Day on **Wednesday, July 14, 2021.**

I promise to "unplug" from all digital entertainment: TV, DVDs, videogames, computer, phones, tablets or any other screen activities on July 14, 2021.

I promise instead to explore other screen-free activities and spend my free time playing, reading, daydreaming, creating, and talking face to face with family and friends.

Cut Here

After participating in Screen Free Day, return this slip to the children's desk at the Hancock County Public Library (Greenfield or Sugar Creek) by Friday, July 23, 2021. The first 100 received at each location will receive a Mama Nita's coupon. Instead of spending time on screens, I did these things:

Child's Name

Phone

Parent Signature
